The information disclosure statement filed May 12, 2008 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. No explanation of relevance for EP 1 136 446 has been provided. All other references have been considered. It has been placed in the application file, but the information referred to therein has not been considered.
